

Student Feedback to Second Term Reports, April/May 2016

Students answers to the question, “How did things go for you in the term?”

Legend:

I improved

I stayed the same

I did not improve

Kindergarten

- I went to the park with Jevan and we played on the monkey bars at school. My second term was good with my mom and me, we went to the park.
- It was good because I don't know.
- It went pretty good for me. I had a little incident but its ok now, we're going to move.
- I played nicely today and my friends also played nicely too.
- I stayed the same but I got better at my names because of my tracing.
- I like playing with my friends. I am doing better than the last time.
- I feel good about it because I learned more this term.
- I feel good about playing soccer with my friends.
- I did better this term because I share toys.
- It good because I don't know.
- It was good because I don't know.

- It was good, I don't know why.
- Well, I was so busy I had too much jobs to do, I have to do work all the time
- It went well for me because it was fun.
- I usually listen to my teacher. The term was the same for me, just like in kindergarten, I was always good.
- It was good because I did my best
- Good, a little kinda weird because of the letters I don't really know that much like my B's and D's I get mixed up
- It was a good report because lots of them I don't need help with.
- I'm guessing good because I am putting my hand up and being quiet.
- I think I liked it because it was good and really nice to get good marks.
- Good because sometimes we agreed together and other times we kinda didn't.
- Good because I don't know.
- It was good because I met some new friends
- It was good because I learned more things
- I don't know, I don't feel like I learned stuff anymore.
- I tried to work hard
- I was good because my mom picks me up and takes me home a lot

Grade 2

- Very good, I like school
- It was good because I moved up higher in reading because I got better, I used to be not that good at reading so I practiced and got higher levels
- Good
- Yeah, I did learn more than last term, I think I got smarter.
- It was good because it was fun.
- Pretty good because I don't know.
- It was ok, I did better than I thought I would
- It was fun because it was my first time to make my report to you, I'm not nervous anymore
- Really good cause I like to do math and I like to learn stuff
- I liked it, it was good
- Good because I figured out that I really liked it
- Good because I don't know.
- Good this term because I feel good about it
- This is what I think, I only need I need a little bit of help, I'm reading very well.
- It's good because I improved from last time, I'm kinda good at listening and I'm kinda good at waiting my turn.
- Things were good this term because I got everything "good" again, I always get everything "good"
- Things were good because I'm getting better at stuff like math.
- My second term was better than the first because... I don't know
- I have finished 5 workbooks this term which makes me feel good.
- Second term was good but I was a little nervous about some things
- This term went really good and I got better at my last term's goal of practicing math facts so my next term's goal will also be good.
- My second term was good—I just don't know why.
- Things have been about the same for me this term.
- I think my second term went well because I tried harder this term.
- I think its been good this term because my dad and mom said they would buy me an ATV if I'm good at school.

- I did the exact same as last term.

- It is good because I tried my best and I worked hard on it.
- Good because I like talking to my teacher and parents.
- It was the same as last year.
- It was good, I'm switching school next year. I'm pretty proud of my math.
- I honestly think that grade 1 was better because we got centers in the middle of the day and there was more time for snack. Also our buddies didn't get cancelled as much, we haven't had buddies for more than 1 week.
- It was good because I'm learning a lot.
- Good because I really listened to the teacher.
- It was good because...I have no idea!
- Good because I was working hard.
- Not that good because I wasn't really listening last term.
- I got better, now I find easier to subtract but it used to be easier to add.
- I think it was really nice how it worked out because I really like doing math, reading, geometry--all those learning!
- It was good, I learned something.
- It was ok because I had fun and I didn't get into trouble.
- It went pretty good so far, the days and months pass so fast, they are going too fast. Its been a really good year so far.
- I don't know how it went this term.
- It was ok, it was kind of like really good but your mom needs to see your work. I really want my mom and dad to see my work and see how well I have done.
- My term was medium because before when I was medium, I am now more better.
- It was a little bit fun, I kind of like showing mom the work.
- It was good because it was just good.
- It was good, better than last time because I don't call out as much.

Grade 3

- It was good because it was a good choice.
- It was good because I wish I was Gandalf so I could go back in time to see what happened back in the conference.
- Good because I just like meeting new kids and I like doing all these science experiments. I can't wait to move up to harder math for example
- Good because my mom is helping me at home
- I think I improved because my reading and math are better
- Good because I think I did a lot better in my second term. I learned about tundra and permafrost and how animals adapt to the weather which seemed a lot easier than the first term.
- Great because I think it was absolutely perfect last time.
- I think I did a little bit worse but not that much. I think this because I got one check mark in the middle this term.
- It's been pretty good, I have been reading sometimes, me and my dad used to have a reading space in the garage but one day later it was filled with stuff and I never got to read there again. I have been doing the best I can at school in reading.
- My second term was good because I got better at math, times tables.
- My second term was good because I made more friends and got better at reading
- My second term went well but I don't know why.
- I really think it's more clear now, and I'm sticking to my goals and that's a good thing and I thought about it and I'm sticking to my goal about reading
- Things went pretty good this term.
- Second term has been good because I'm getting better at it.
- My report is mostly better than last term because I got more applying marks than last term
- It been really fun this term, I like all the gym and the substitutes we've had. I like that we went outside a lot.
- This last term has been great because I made new friends and I learn more stuff
- My second term was good because it helped me with my reading.
- This term has gone about the same as last term.
- My second term was good because I haven't been getting reports or getting into trouble as much
- It's gone good for me because I've been focusing on my teacher, math, the work.
- My term has been good because I did good.
- My term went medium.
- Things are good, I think there are some checks in different places than last term. I think I did better this term.

- I think I did a bit better because I learned more in my previous grade and I'm using it now.
- It's good because I like learning a lot of new things
- I think I got better a lot at spelling and I'm getting better at reading. And that I'm learning to avoid the things I shouldn't be doing.
- It was better this term and my mom and dad will do a phone interview. It was pretty good because I was confident about myself.
- It was good because I learnt lots of different things.
- Pretty good because I really don't know.
- I think its pretty good, I think we agreed on almost everything, it was the exact same, yea, it's pretty good.
- It was a good term for me.
- It was good because I was doing good.
- It was good this term because we did lots of fun things.
- Pretty good because I got a really nice teacher and classmates, everything is really nice except sometimes the class can be really noisy.
- Ok because it better than last term because I haven't been in the principal's office for a term and a half.
- Good, some days don't go so well but the next day does.
- It went well because, I don't know.
- It went good because I had a good conference.
- It went well.
- It was pretty good because I feel like it was a good term.
- I think it was pretty good, I filled my whole entire journal with my words and I even have a second book of spelling and my journal.
- It was good because I got most of them in the applying space.
- I think things went pretty good this term because I really good at math and running.
- It was good because I don't know.

Grade 4

- I did the same as last term
- My second term was better because I tried my hardest.
- Things went well this term because I got better at math.
- Things didn't go so well this term for me because most of my marks are in the middle.
- Things went well but I don't know why.
- Things went well this term for me.
- It was good because I improved in handwriting.
- Everything seems better to me this term, I'm trying harder than I have in the past
- Better because I think I worked harder. My projects were better this term. I think it went really good and I'm excited for this term.
- This has been a really good term, the work is not too hard for me.
- It was better than the first term because I wasn't doing the work last term.
- Kind of proud because I felt like I did much better and I feel a lot nicer and I can be a better drawer and writer than I was before.
- I actually did the same as last term. I am don't really know what else to say.
- I don't know how things went this term went, everything was ok.
- Things have been good for me this term.
- I can read better now, and other things have gone a little bit better too.
- My term was really good because its spring time and not so rainy, it feels like summer. School is like for multiplication- 100 times something is so easy.
- I have done a little bit better this term.
- I'm happy that I agree with my teacher and she thinks I'm doing well. My mom is proud of me so I'm happy about that.
- It was amazing because it was fun this term. All the work was fun and easy and amazing at the same time.
- Really good! The best part was that me and my teacher thought of the same marks.
- I thought it went very well last term. Now we are starting harder math and stepping up a lot more in our math and I'm trying to keep up with the spelling but it's not really working.
- It was a good term for me this term but it was also kind of like last term. Some stuff was a bit harder.
- Things were good this term because I improved more in a lot of subjects.
- I think it was good because I listened although my social responsibility could have been a bit better.
- It was good this term because I tried harder and I learnt more.
- I thought it went really good, I think I could do a bit better in my math, neater printing and spelling.

- I am doing good, I kinda struggled in math a bit but I'm doing grade 5 work so it's a bit harder. We've been reading stories and doing some questions more than last year. We also do more tests this term
- It went pretty good but harder and a little challenging.
- Things went pretty good, in the beginning of the year it was harder to do my math and social studies.
- I think it went good because I tried hard.
- It went so-so, I really enjoyed the social studies about the explorers of Canada.
- It went really good because last term I didn't feel so comfortable but this term I feel much more comfortable with my class. My teachers says I've been raising my voice in class more.
- Well it's gone pretty good, I'm doing pretty good in L.A. and I feel like I'm doing well in division but could use some more work on my multiplication.

Grade 5

- Things went better because I was more kind to friends. I was thinking about friends' feelings.
- It was pretty good, great actually.
- My second term was harder than the first because the math was harder and we have to get better for grade .
- It was good this term because of Mr. Jones' sarcasm.
- It went really good and I think I'm working a lot harder this term.
- I think it went well because I ...I don't know.
- It was really good and I did excellent, the work was pretty easy and I finished it all in time.
- I really liked it because its an experiential way of learning different things.
- I really like this tem way better than last year's because I get to do more activities and I get to do a lot more than last year because I'm in a bigger grade.
- It was a good term for me.
- I felt that this term was mostly the same but a little easier. I improved some of my goals from the last term.
- It good this term, I liked it a lot, its better than last term
- Things went well because I stayed the same in most my results.
- I am happy because its my homestay brother's birthday
- It was nice (!) because I really liked the math cause it was easy. Most of the things we did were pretty easy.
- I think it went very well because I was working harder.
- I got my homework done better, it was easier.
- Its much, my teacher said I have improved a lot since last term. I am feeling that I don't get in much more fights. I love math!
- Its been pretty good but I just wish I had been at school more often so I didn't have so much work to catch up on.
- Most of my report cards are usually often or always bit this one I think I did better than most of them. I'm a bit older now but I have always been a good student.
- I think I did a little bit better because I was getting work done faster and better than last time.
- Pretty good because my speech went well.
- I'm proud of my report, I did better this term than I did last term. I know the teacher's expectations better than first term.
- Pretty good, actually better than last year because I have matured quite a bit.
- It was better because I got to do a lot more stuff, I learnt more.
- Its been good, my teacher expects me to be the best. She's very nice.
- It was good I thought I stayed on task and concentrated more on work than talking.
- It was good because it was easier this term
- I think it was pretty good.

- It was ok.
- Things went pretty good this last term for me.
- I like my first term better because the first term was easier, the second term was confusing for me and I didn't really get anything at that time. I'm reading better this term.
- Good, fun, hard.
- My second term went better than my first term because I'm smarter than I used to be.
- Its good because. I don't know.
- At first I felt like I had too much homework but it got easier I got more confident and it felt better.
- It was pretty good because I like school.
- I think it's pretty good.
- I think my second term went better than the first term because I got more used to the class rules and how homework needs to be done. I think I behaved better.
- I thought it was really good except for my times tables, I'm stronger in division than multiplication
- I feel okay about the report, mostly okay.
- I had a good second term.
- It seemed pretty good, I enjoyed it, I'm excited for our science project
- It was good because it was fun.
- Last term was better because we didn't have to do track and field.

Grade 6

- It was not so good because I haven't been getting the marks that I usually have because I haven't been trying as hard.
- Good, I like it because I made more friends
- It was lots of fun because of the Ancient Greece project which wasn't that hard, I got all the work done eventually.
- I think it's going alright, not the best but still ok.
- I think it's going pretty good because the work starts easy and gets harder, it makes me think and do lots of stuff better. I think I will know a lot more in grade because of what I have learned in grade 6.
- This term I think it went really because I enjoyed doing the new math and reading and writing.
- It was good because I'm improving a lot in my math this year.
- My second term went pretty well, pretty much the same as last term. Once I caught up things were the same as last year.
- It's going good, I like it, the beginning of the year was rough because of the NHS getting mad at us everyday, but then after that we didn't talk or look at her, no one really talks to her. Math's good, I like all the centers.
- It went a lot better than I expected because I am always nervous and hard on myself and I did better than I thought
- Good because I followed my plan to improve in my general math skills and tried not overthinking practically everything.
- It was fun because I guess we did more things and its like you're growing more and doing more mature things like leadership. Things have improved for me.
- It was good because I learned a lot of new things like decimals.
- Good because it's like a slight improvement from last term.
- I think this report is the same, maybe, as last term.
- I think it's the same, maybe a tiny bit better this term.
- I think I've done a bit better than last time. I have worked a bit harder than usual. I just tried to improve on my own.
- It been really good. I have dropped a few marks but I'm still pretty proud of myself.
- I think there were few bumps in the road. I am loving my teachers because they are super kind and they are always there to help me because they know that I have little trouble with math.
- Good I guess, I got a 19.5/20 on my math test!
- It's kind of ok I guess, I forgot was my last report said.
- I think it's the same as last time.
- I think that I've done a lot better than last term because last term I was in the "Often" columns and this term in the in the "Always". I like getting fewer corrections in math and comprehension.

- I improved a bit because my self assessment went up to the middle category and even past in some cases. I feel better about second term.
I fell pretty good but last term was a little better. My communication has gone down a bit this term
- My math has improved because I have been working harder on my times tables. I think I have dealt with more problems in a more mature way. In groups, I help other students get organized and go for extra help.
- It was good, the same as last term I think.
- It wasn't as great as the first term but my math is better. I like art especially the papier mache.
- I thought it was pretty good, I wasn't failing anything and if you're not failing anything then it's pretty good.
- I have no comment about my report
- Good, although I do need to work on my organization.
- I didn't do that good this term because I got distracted too easily, wasn't focused enough, distracted others. I haven't been distracted as much or distracted others so. I want to succeed. I'm amazing at math but I just don't like it.
- Decent, but I could do better.
- Good because it's better than my last school.
- It went a little bit down because I talked a bit more in class.
- It was horrible, I can do much better.
- My second term has gone down a lot but I haven been getting my work in on time. I finish it but I misplace it and don't end up handing it in.
- I think it went pretty good.
- Things went well because I played with all my friends and played with new ones.
- Pretty good this term because, I don't know.
- I feel I've upped my game in a lot of subjects like homework and I now find math a bit fun because it's challenging.
- It was ok I don't know.
- Good because I have lots of friends and I feel that I am doing better with the homework.
- Better than last year, I like the kids better this year
- Probably that I do better every year, I get better as the work gets harder.
- It was definitely better than my first term because my first term I wasn't used to the work but now I am more used to it.
- Very, very, very good, I liked it because it was very fun year because I got to meet new friends and new people
- I think it's good and fun. I learned a bunch of new stuff.
- It was pretty good because we went on a lot of field trips.
- I think it was pretty good, I only had to work on getting my homework done. I'm really happy that I'm not on the DT board for about a month!
- I think it went well for grades and I enjoyed it more
- It is fun because I like listening to music outside.

Grade 7

- It was quite different to what I had marked, I think it went quite good.
- It was wonderful because I got to learn and I got to make lots of friends.
- I don't even know.
- It was good.
- I could have done better on my French quiz, I thought I did better at getting my homework done, I was in less trouble.
- I think it was really good because all of the nice people around me supported me when I needed help.
- It went good because I feel that I've tried harder and been more focused in class.
- It was ok this second term, first was better. This term I was going up and down a lot but now things are going better after the interview.
- I think it went well because I got a lot of my assignments done even though there were some slip-ups.
- I think my second term was better than my first. There were some minor issues but I think I can fix them easily.
- It was pretty good because I have new friends in the class.
- I think it went better than the first term, I understood more and got more creative with my work.
- I think it was better than the first one because I didn't get into big troubles this term.
- It was ok.
- It was pretty good academically, there were some bumps but I haven't got in trouble recently
- It was better because I improved in math, it was both hard and easy.
- It was pretty good because it was fun. The sunny weather makes people happy.
- I would say that term 2 has been somewhat stale however when it comes to some of the different separate activities its been quite energetic.
- I think I did pretty good, I don't know.
- It was really fun, I got to do a lot of things, I got a lot of opportunities to do stuff I've never done , like We Day.
- It was good, I don't know why.
- It was good because I got meet a lot of new people.
- I'm happy because I'm doing well. I'm maturing and seeing things differently.
- I don't even know, it was good. I feel like second term was the easiest, and the last is the hardest
- I think it was fine.
- It was ok but there are some troubles with my writing
- I think it went ok.
- I went kinda good, because I wasn't doing better last year and this year I'm studying and trying harder. I'm getting pretty good at math

- I thought it went really well, I advanced more in general, my math grade was better, I am driven to be the best that I can be.
- I think it kinda went well, there were some problems and partner issues but I guess everything overall went pretty good I guess.
- It was pretty good because I got to learn new things and make new friends.
- I feel like I kinda did worse because I got distracted with video games, and I'm now trying to cut down on my video time so I can get better grade.
- It was good I guess.
- I didn't do as well this term because it was harder.
- Term number two wasn't as good as term number 1 because I was not focusing as well and getting distracted easily.
- I could have improved, it wasn't as good as first term because I was slacking off and socializing. I am going to try and stay at my seat more and socialize less.
- It was the same as last term.
- I feel ok, it wasn't my best one because my literacy wasn't as good as last term.
- So far this term things are good. I've been doing more work than I did before, I just didn't try that hard last term.
- I think last year's was a bit better than this one because I was more focused on math. I'm not as focused on math this term as it's harder.
- It's a little lower than last term but apparently it happens with a lot of students, I'm not sure why.
- It was a good report.
- I'm proud of my report because my teacher put "always" for everything and how I didn't put always for everything.
- I think it's good because I got good marks and I accomplished my goal from last term.
- Good I guess, I don't remember how I did last year.
- Good because my mom thought I did good. I think it was the same as last time but a little better too.
- I think I did pretty well because I liked the way the teacher marked me the same as I did. I'm really bad because I am a procrastinator.
